

**BARNSTEAD SCHOOL DISTRICT  
Employee Health & Safety**

It will be the policy of the Barnstead School District that all new professional and support staff defined as: custodians, secretaries, paraprofessionals, office staff and school lunch personnel are required to have a physical exam prior to employment with the Barnstead School District. The cost for the physicals will be borne by the employer.

Further, school lunch personnel are to have blood work screening for communicable diseases as required by the State of New Hampshire.
