

**BARNSTEAD SCHOOL DISTRICT
Curriculum Adoption**

A dynamic instructional program requires ongoing alteration in the curriculum and courses of study.

It is the policy of the Board that no basic course of study shall be eliminated or new courses added without approval of the Board, nor shall any sharp alteration or reduction of a course of study be made without such approval.

New programs and course of study shall not be acted upon by the Board until the meeting following their presentation by the administration so that Board members may have an opportunity to review the proposed program.
