**TO PARENTS OF THE BLUE BUS ROUTE
AFTERNOON BUS ROUTE**

Dear Parents,

As most of you know, we have been short an afternoon route driver for the Blue Bus this year! Despite recruiting attempts, we have not had anyone apply for the open pm route until now!

The good news is that we have interviewed and are bringing into training this week an applicant who is looking to drive school bus. She is someone who we believe will be a perfect fit for this route and will start her training after completing her pre-employment screenings this week. Until then we will need to continue utilizing the Brown Bus driver to assist in bringing the Blue bus students home! This is pattern that may continue for the next month.

Starting this afternoon, the Brown bus will return to the school after completing her route between 3:05 & 3:10 to pickup the Blue Bus Route Students.

This will put the student's arrival to their designated bus stop approximately 30 to 35 minutes later than the normal Blue bus schedule.

We sincerely apologize for any inconvenience this will cause and please know that we will be working diligently to get our newest member trained, tested and licensed by the State as soon as possible!!!

Please feel free to give me a call with any questions @ 603-813-2056.

Sincerely,

Detra Hardy, Manager, Butlers Bus - Barnstead
