Recycling Club~Earth Day Update

On Earth Day, April 22nd, it was 15 years since BES kicked off our recycling program! Woohoo! Go us! I wonder how many trees we've saved and how many mountains of water bottles we've kept out of the landfills? :-)

A BIG THANK YOU goes out to all the staff and students who recycle here every day! Especially to the students who help with collection around our school every week. Please acknowledge your students who take time to help with recycling! This would also be a great time to remind your students of the recycling guidelines so we can keep food trash un-recyclable items out of the recycling bins.

To celebrate Earth Day with our annual grounds cleanup, there will be trash bags and gloves in the main office for this week. If any classes would like to help Spring clean our grounds, feel free to tag a spot you'd like to help beautify! Recess could also be a great time to encourage individuals or small groups to clean up the playground areas. We'll try to put out small recycled bags also, so as not to waste the larger bags. Something to think about...in this time of single use disposables (which is mostly what we find littered on our school grounds) let's all take some time to see what we can do as individuals to break this bad habit! Small changes can make a big difference! Reduce, Reuse and Recycle and remember to do something kind for our Mother Earth on Earth Day!

**Help 5th Grade Fundraise for Nature's Classroom AND
Wear a Fun Hat on May 3rd!**

Attention all BES students and staff: We will be having a **HAT DAY TODAY**. Simply bring in a dollar and your favorite hat! All proceeds will be going towards 5th grade's trip to Nature's Classroom and money will be collected by your homeroom teacher! Please see Ms. Davis, Ms. Rautio or Ms. LaRoche with any questions.

*Feel free to come
down & check out
what we're
working on!*

Artist in residence begins Monday, May 6th, 2019!
Shana Brautigam of Rooted in Clay is coming to work with fourth grade. Some art classes will be affected by this residency, but you should have already received an email.

**4TH GRADE TEACHERS, CHECK YOUR SCHEDULE TO SEE WHAT TIMES YOUR CLASSES WILL
NEED TO BE IN THE ART ROOM.**

Thanks for being flexible!

Any questions, feel free to reach out to Carly D. or Terese B.!
