Parents/Guardians of our military,

To celebrate the Month of the Military Child, the NH National Guard Child and Youth Program is offering to send Certificates of Appreciation to our school, for our students who have a parent or guardian currently serving in the Military.

This letter is to help us in finding those parents who are serving or have served in the military so that they may receive this certificate of appreciation from our school.

Please fill out the information below if you are serving or have served in any branch of our military and we thank you and appreciate your service to our country.

Supplies are limited so please return promptly!

Sincerely,

Tim Rice, Principal
